

ANNEM KOTIREDDY

Software Developer | B.Tech Computer Science & Engineering

Phone: 8688619707 | Email: kotireddy5847@gmail.com | GitHub: github.com/koti2919 | LinkedIn: linkedin.com/in/annem-kotireddy-4860a2376

CAREER OBJECTIVE

Motivated B.Tech Computer Science Engineering student seeking software development and internship opportunities. Interested in building practical applications using Python, Java, SQL, artificial intelligence and modern web technologies, with a strong focus on continuous learning and problem solving.

EDUCATION

B.Tech — Computer Science Engineering
QIS Engineering College

2023 — 2027
CGPA: 7.71 (through 6th semester)

TECHNICAL SKILLS

Programming: Python, Java

AI: Artificial Intelligence, AI APIs

Tools: Git, GitHub, Streamlit, Tailwind CSS

Database: SQL

Web: HTML, CSS, JavaScript, React, Next.js, TypeScript

Development: Responsive Web Development, API Integration

PROJECTS

AI Interview Preparation Platform | AI / Education

Developing an AI-powered platform to simulate interview sessions and provide intelligent feedback to candidates. Focus areas include interview interaction, AI-generated questions and candidate evaluation.

Technologies: React, TypeScript, Gemini, AI

AI Email Reply Assistant | AI / Productivity

Developed a practice application concept for generating professional email replies based on the user's email content and preferred communication tone.

Technologies: Python, Streamlit, AI

Personal Portfolio Website | Web Development

Built a modern responsive portfolio to present education, technical skills, projects, services, resume and contact information.

Technologies: Next.js, TypeScript, Tailwind CSS, Framer Motion

ACADEMIC & LEARNING JOURNEY

- B.Tech Computer Science Engineering — 2023–2027, QIS Engineering College.
- Developed practical programming skills in Python and Java with emphasis on problem solving.
- Built knowledge in SQL, artificial intelligence and modern web technologies through continuous learning and hands-on practice.
- Currently focused on software development, AI applications and building portfolio-ready projects.

CAREER INTERESTS

Software Development • Python Development • Web Development • Artificial Intelligence • SQL & Backend Development

ADDITIONAL INFORMATION

Career Goal: Software Developer | **Availability:** Open to internship and software development opportunities
